

# **GEORGE WELLS**

**1917-2006**

George Wells danced in Sydney from 1938. He was a major influence in the formation of Sydney Branch in 1952 and was the principal teacher of the Branch until the early 1990s, retaining his deep interest thereafter. Sydney benefits from his legacy of successfully training teachers for the Society Certificate and he was granted the Scroll of the Society in 1990. George is sadly missed by all who knew him.
