

Heather Heron

Heather Heron began Scottish Country Dancing when she was a teenager, however she didn't begin teaching until around 1995.

Since then the Cleveland Scottish Country Dancers has been her home club where she continues to co-teach. Heather gained her Teacher's Certificate in 2014 upon which she began running a weekly Redlands U3A class. Heather also currently teaches a Branch Intermediate class every Monday.

Heather's aim throughout all classes is that everyone has fun while trying to achieve to the best of their ability.

Outside of dancing Heather enjoys walking, reading, patchwork, sewing, travelling and staying in touch with friends and family.
