

JIM NEILL

Died 2002

Jim Neill was best remembered as the teacher of the Hermitage SCD Club, being MC for 27 Hermitage Balls. He always supported the Sydney Branch, particularly through the Teachers Liaison Group. Jim had a good tenor voice, played the pipes, mouth organ and tin whistle, loved Scottish Highland and Country dancing and piped in many a New Year at gatherings at the home of John and Effie Young.

Jim will be greatly missed by many branches of the Scottish Community in Sydney.
