Special Meeting and Branch Constitution

Many thanks to those who attended the zoom meeting and/or voted (postal or online). We received 37 votes, all supported the motion to adopt the Model Constitution in its entirety. Current Branch Members can now look forward to 6 months of free membership (Jan to Jun 2021) while we adjust the financial and membership year from Jan - Dec to Jul - Jun.

Website changes

Please bear with us as we work to move our website to a new platform. There may be delays in updating information during this process but we hope to have a functioning website with a fresh look in the coming weeks.

Special thanks to all those who have donated to the branch this year for zoom socials. Your generosity is greatly appreciated.

Teacher training opportunities

Ever considered becoming an RSCDS teacher?

A great place to begin is with a **Basic Teaching Skills Course**. Learn how to teach steps & formations and how to build up a dance. Practice analysing dances and using your voice. Find out which tunes are suited to an exercise.

Contact [TLG](#) to enquire further.

Ready for the Theory?

Have a look at [Unit 1](#) - the written exam is the first of 5 parts of the RSCDS teaching qualification and is based entirely on The [Manual](#) of Scottish Country Dancing published by the RSCDS.

The Moodle course, provided for free by Sydney Branch, is an opportunity to work through the syllabus at your own pace and experience exam questions.

Dancing Achievement Award

The DAA course can be arranged upon request if there is sufficient interest. It is a very rewarding challenge which improves your dancing and teamwork as well as creating a bonding experience within your DAA set. If you are keen let us know and encourage your friends to try it too.
